New Hampshire native, Brendan James always knew he had a powerful voice but it was not until a music teacher encouraged him to pursue songwriting that James found his true potential. James finds inspiration through his own experiences, he absorbs the world around him and turns them into beautifully crafted songs. In 2008 his debut album *The Day is Brave*, released by Decca Records and debuted in the Top 10 on *Billboard's* Heatseekers chart. After an 18 month stint of touring, James began work on his sophomore album, *Brendan James*, which is scheduled to be released on September 7, 2010.
